I glanced through the thick "yellow" bound
look out on tables to be reviewed by Barrington
residents. I saw nothing there that spoke
to us about improving life of any living
species, man, beast or flora or fauna.
It will be the devastation of our
community forever! It will bring severe
safety issues with police, paramedics
fire, etc. along w/ potential train wrecks
or car accidents or pedestrian accidents.

NO! NO! NO! NO!

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
